How to Order “No-Drift” Signs

An additional means of communicating locally at the field level is with notification signs to mark your fields. Only producers with approved fields are eligible to purchase signs through DriftWatch. In order to do so, login to your account and access the DriftWatch map with your field(s) listed in the left sidebar. When you click on an approved field, the pop-up window with your field’s information will appear. Click on the link, “Purchase a No-Drift sign for this site,” to go to the on-line store for purchasing field signs.

After clicking on the link to purchase “No-Drift” signs, your site’s info will expand to include information. If you plan on ordering your signs online, you can select a single sign or a two-pack, both with wire stands. If you’d prefer to order them via phone, the number and extension to the Purdue Education Store is listed here as well.

Upon selecting either the single or two-pak signs link, you will be directed to the Purdue Extension Education Store where you can place your order for the total quantity desired. Currently, a single sign is $8.00 and a two-pak is $15.00 plus shipping and handling depending on quantity.

You can enter the number of signs you want here. Be sure to check whether you are on the single sign or two-pak order page.

When you are ready to check out, click “add to cart.”

After adding the signs to your cart, you will be directed to another web page to view your cart. You can see on this page, the amount you will be charged. You can change the quantity of packs here too. When you are ready to check out, click “Begin Checkout Process.”

Click “Begin Checkout Process” when you are done shopping and are ready to provide your payment and shipping information.
**Step One:** Select if you are a new or returning user and click “Continue.” Note for returning users: be sure your billing info hasn't changed.

**Step Two:** Fill in your billing information and click “Continue.”
